To Whom This Letter May Concern,

I am writing this letter to express my thanks and appreciation for all the North West Settlement House Infant Center have done for me and my son Frederick Smoke Jr. Being a working mother in today's society it is hard to find quality daycare service. He has been in the center for 8 months and being at the Infant Center with the other kids and with the staff has really helped his developmental stage. He is very advances for his age and I have North West Settlement to thanks for that. We need to invest in our children future because they are our future.

Sincerely,

Concern Parent
