The Department of Health, Health Regulation Administration, Child and Residential Care Facilities Division (DOH/HRA/C&RCFD) recommends that the applicant be granted special exception by the DC Board of Zoning, in order to establish and maintain a child development center at the above-mentioned address.

Additional child development centers are greatly needed to meet the City's growing demand for licensed childcare services for infants, preschool and school-aged children.

Should you have further questions, you may contact Denise Ryles-McKoy, Supervisory Human Services Licensing Specialist for the Child Care Branch, Child and Residential Care Facilities Division on 442-5929.
