I Live in the house, next door to the Maranthe Church. We are constantly sharing spact with the Church. Their activities are not just limited to Sunday. They have Bible study weekly, trips and meetings. During the Summer they have Vacation Bible school. When they take trips, & there are cars parked infront of my house up to 4 days at a time. I am not against children, I have two of my own. I just am opposed to sharing my residental home with another non-profit organization.
