Re: BZA Application No. 17178

Dear Sirs and Madams,

As a neighbor within a 200 foot radius, we are writing in support of the Potter's House plans to expand their facility and provide an entrance on Fuller Street. For 44 years, Potter's House has been and continues to be a significant center for community consciousness raising. Their commitment to the community was the beginning of Good Shepherd.

The entrances for our offices and youth activities face Fuller Street. The Potter's House addition would provide a needed face lift to a street that can sometimes be unsafe for our clients and others. It is our hope that you honor the Potter's House request for a variance on FAR.

Sincerely,

Barbara Moore
