Re: Letter in Support of the Heritage Foundation's BZA Application No. 17179 regarding renewal of parking lots

Dear Mr. Griffis:

I would like to add my voice to the chorus of supports of BZA Application No. 17179 by the Heritage Foundation concerning the renewal of the parking lots at Rear 415 3rd Street, N.E., and Rear 416 and Rear 424 4th Street, N.E.

It is clear the lots do not create any adverse conditions. The parking lots are well-managed and any issues or problems therewith are dealt with thoroughly and promptly by the Heritage Foundation. Heritage has kept the lots free of refuse and debris through daily cleaning and I have little doubt they will continue to do so.

Thank you for considering my statement in your deliberations on this case.

Sincerely,

Diane Andruch
