BZA Case No. 17183 Exhibit No. 27

2). What legal interest does the person have in the property? (i.e. owner, tenant, trustee, or mortgagee)

Immediate adjacent property

4). What are the environmental, economic or social impacts that are likely to affect the person and/or the person's property if the action requested of the Board is approved or denied?

Purely Economic impact: Logan II, LLC conducted pre construction drilling of 6" hole and caused my basement flood especially to my Tenants restaurant. I worry about construction may damage my property & interfer the restaurant operation.

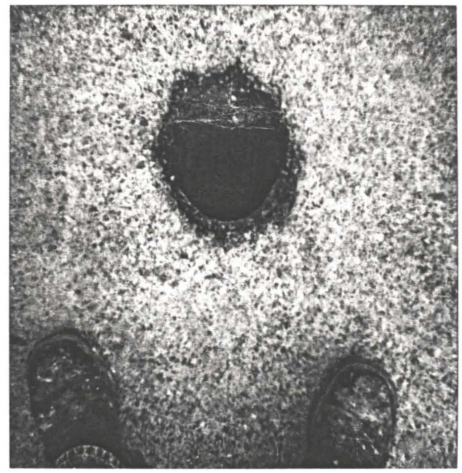

Describe any other relevant matters that demonstrate how the person will likely be affected or aggrieved if the action requested of the Board is approved or denied.

My Tenant operates a chinese restaurant at ~~the~~ 1527 14th St. NW Construction would cause negative impact on its business. Logan II, LLC fails to explain and communicate with us for pre construction project.

Explain how the person's interest will be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than that of other person's in the general public.

(27) We had experience of construction impact on restaurant business when next door owner performed their construction project. I wish my concerns will be addressed before it can be approved by Board.
