Re: Application Number 17187

Dear Mr. Kress:

We are writing to support the zoning adjustment application of Greg Stack and Gabrielle Boccher. We live next door to the applicants, across the alley. The applicants have discussed their plans with us on numerous occasions so we are familiar with the details of their planned addition. The addition will have little or no direct or indirect impact on our property.

We urge the Board to accept their application.

Sincerely,

Lawrence F. Williams Patricia Pride
