Statement of Existing and Intended Use

Greg Stack & Gabrielle Boccher , 4611 Van Ness St., NW, Washington, D.C.

The single family detached home at 4611 Van Ness St., NW, Washington , DC is a one bedroom, one bathroom, with a kitchen, living space and partial basement which is used as a primary residence. An addition, as planned, would include a bedroom, bathroom, living and eating space, and partial basement – leaving unchanged – the intended use of the single family detached home as a primary residence.
