To Whom It May Concern:

I have lived at 703 East Capitol Street since 1965 and have been a real estate agent on Capitol Hill for many of those years. I am writing in support of the request of my neighbors at 707 East Capitol St., S.E., Sam and Shannon Daley-Harris, for a special exception for the proposed construction of a two-story rear addition and back porch.

I have looked over their plans and it is clear that the changes they want to make will be a real improvement to the neighborhood. The existing back of their house is not more than a shack, and I am eager to see that corrected.

I offer my full support of their request and look forward to this improvement to our neighborhood.

Sincerely.

James Hackley
