To Whom It May Concern,

I have reviewed the plans for the proposed addition to the rear of the Goddard residence addressed 1310 Rhode Island Avenue, N.W. The Goddard residence is located directly behind my residence across a public alley. The proposed addition is consistent in scale, style and materials to other rear additions to homes on the block, and will not adversely affect the view from my residence, access to my property, or the amount of sunlight my property receives.

If you have questions you may contact me at (202) 328-6296.

Sincerely,

Thomas Hardy
