RE Application # 17203 Robin Snyder & Bruce Louie
Special Exception for premises 925 North Carolina Ave.
Washington D.C.

Dear Director Kress,

We make reference to your notice dated June 24, 2004 regarding referenced matter. A close neighbors to referenced property we must object to the requested exemption for the construction of a two story rear addition to the lot. Any changes of the historic neighborhood will negatively impact the historic make-up of the area. There are so few sections left of such historic value that an addition would have a substantial negatively impact.

Sincerely,

BZA
