**RE: BZA Application 17211, National Broadcasting Company (NBC), Inc.**

Dear Mr. Donohue:

The Board of Zoning Adjustment on November 2, 2004 clarified that a decision will be considered on December 7, 2004, at a Public Meeting, for the pending NBC application. It was brought to the Board's attention that there is misunderstanding or confusion regarding the dates that were discussed at the Public Hearing. The dates contemplated at the hearing were November 30, 2004 and December 7, 2004. Additionally, the Board established a timeline for the submission of materials and responses. At the conclusion of the lengthy hearing and late nighttime hour, it is understandable how confusion could have arisen. Therefore, for clarity, note the following dates:

- November 3, 2004 – Submission of Requested Materials
- November 17, 2004 – Responses from ANC 3E and 3C
- November 24, 2004 – Proposed Findings of Fact and Conclusions of Law
- December 7, 2004 – Decision

Please note that NBC's current special exception will not expire until the Board's decision is made and the order issued. It is also anticipated that, depending on the Board's action, the Order could be issued prior to expiration of your current special exception. The Board considered these factors prior to scheduling the hearing date.

We regret any misunderstanding or confusion about the hearing date. Thank you for your patience with this matter.

**SINCERELY,**
