Please answer all of the following questions referencing why the above person should be granted party status.
(If you require additional space, please attach an additional sheet.)

1). How will the property owned or occupied by such person, or in which the person has an interest be affected by the action requested of the Board?*

Traffic serving the facility through its parking and delivery facilities located on our narrow alley often blocks access to me garage and parking pad, as well as delays entry and exit to my parking. There are also negative environmental impacts from the substantial shadow of the building.

2). What legal interest does the person have in the property? (i.e. owner, tenant, trustee. or mortgagee)*

Close neighbor

3). What is the distance between the person's property and the property that is the subject of the appeal or application before the Board? (Preferably no farther than 200ft.)*

50

4). What are the environmental, economic or social impacts that are likely to affect the person and/or the person's property if the action requested of the Board is approved or denied?*

Substantial shadow blocks sun on our gardin.

5). Describe any other relevant matters that demonstrate how the person will likely be affected or aggrieved if the action requested of the Board is approved or denied.*

Will provide detailed issues in testimony.

6). Explain how the person's interest will be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than that of other person's in the general public.*

Live very close to the project, unlike the general public.
