Case No. 17220
Exhibit No. 25

Please answer all of the following questions referencing why the above person should be granted party status. (If you require additional space, please attach an additional sheet.)

1). How will the property owned or occupied by such person, or in which the person has an interest be affected by the action requested of the Board?
1) The loss of parking spaces behind 2422 K Street NW, (in Snows Ct., NW) will adversely impact me. The church routinely directs cars to double park in the alley nearest I Street NW, making it very difficult for me to use my car on Sunday mornings or in the evenings. 2) The structure at 5 Snows Court will be damaged by construction vehicles using the Snows Ct entrance.

2). What legal interest does the person have in the property? (i.e. owner, tenant, trustee, or mortgagee)
I am co-owner of 5 Snows Ct NW., with George E. Miller, my husband.

3). What is the distance between the person's property and the property that is the subject of the appeal or application before the Board?, (Preferably no farther than 200ft.) About ~~800~~ 80 ft. Our property adjoins the church parking lot.

4). What are the environmental, economic or social impacts that are likely to affect the person and/or the person's property if the action requested of the Board is approved or denied? Construction vehicles entering Snows Ct., must pass no. 5. They pass very near the house and vibrate the house, pulverising the bricks in the interior. When they pass you can see brick dust falling in the basement. Large vehicles like cranes cause worse structural damage. The house is 120 years old and should be protected from this.

5). (#25) Describe any other relevant matters that demonstrate how the person will likely be affected or aggrieved if the action requested of the Board is approve or denied. The church claims the nearby police precint has given them permission to double park in the alley nearest I Street NW, inside Snows Ct. They are not legal spaces. When 12 or more cars are parked there it is difficult to enter or leave the parking lot (of 925 25th street) where I rent a space. Loss of any parking space makes it worse.

6). Explain how the person's interest will be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than that of other person's in the general public.

My house will be damaged by construction vehicles driving past, including cranes, and my ability to use my car easily may be adversely affected if the church uses more illegal parking spaces during services, both on Sundays and on weekday evenings. They have ~~50~~ more attending services than the less than 50 legal spaces they have, so overflow attendees park illegally.
