CERTIFICATION

The undersigned agent hereby certifies that the following zoning relief is required from the Board of Zoning Adjustment in this matter pursuant to:

Relief Sought	☐ §3103.2 - Use Variance	☒ §3103.2 - Area Variance	☐ §3104.1-Special Exception
Pursuant to Subsections		Section 773	

Pursuant to 11 DCMR §3113.2, the undersigned agent certifies that:

(1) the agent is duly licensed to practice law or architecture in the District of Columbia;
(2) the agent is currently in good standing and otherwise entitled to practice law or architecture in the District of Columbia; and
(3) the applicant is entitled to apply for the variance or special exception sought for the reasons stated in the application.

The undersigned agent and owner acknowledge that they are assuming the risk that the owner may require additional or different zoning relief from that which is self-certified in order to obtain, for the above-referenced project, any building permit, certificate of occupancy, or other administrative determination based upon the Zoning Regulations and Map. Any approval of the application by the Board of Zoning Adjustment does not constitute a Board finding that the relief sought is the relief required to obtain such permit, certification, or determination.

The undersigned agent and owner further acknowledge that any person aggrieved by the issuance of any permit, certificate, or determination for which the requested zoning relief is a prerequisite may appeal that permit, certificate, or determination on the grounds that additional or different zoning relief is required.

The undersigned agent and owner hereby hold the District of Columbia Office of Zoning and Department of Consumer and Regulatory Affairs harmless from any liability for failure of the undersigned to seek complete and proper zoning relief from the Board of Zoning Adjustment.

The undersigned owner hereby authorizes the undersigned agent to act on the owner's behalf in this matter.
