Re: 2214 Cathedral Avenue, NW

Dear BZA Board Member:

I am a neighbor of Leila Smith and live 4 houses from her home at 2214 Cathedral Avenue. I have reviewed the plans for a deck and new window at her home and visited the property as well. I support Ms. Smith and have no objection to her receiving a special exception. This will improve her home and therefore enhance our neighborhood as well.
I commend Ms. Smith for the lovely design.

Sincerely,

Barbara Ioanes
