ADVISORY NEIGHBORHOOD COMMISSION 1A
3511 14th Street, NW
Washington, DC 20010

A Resolution

WHEREAS, Bell-Lincoln Multicultural High/Middle School has appeared before the ANC and the community, requesting support for its zoning exception to build only one loading dock (instead of two as required by D.C. municipal regulations);

WHEREAS, the current zoning requirements would increase project cost substantially and extend the construction time, push back the projected re-opening of this very important institution, and require a reduction in the amount of classroom space

NOW, THEREFORE BE IT RESOLVED, on this 10th Day of November 2004, with a quorum present, Advisory Neighborhood Commission 1A voted to support BZA Application No. 17235 of Bell-Lincoln Multicultural High/Middle School and urges the BZA to grant the requested relief forthwith.
