Dear Mr. Griffis,

This concerns the Stanford University's application for a special exception (Case Number 17237). Following the BZA hearing on Tuesday, November 23, 2004, Ms. Adrienne Jameison, Director of the Stanford in Washington program, contacted each of the ANC 3C Commissioners by both letter and e-mail. Ms. Jameison explained that the matter was being re-reviewed by the BZA on December 7, 2004, and that the BZA was inclined to approve the special exception provided that the ANC 3C Commissioners had an opportunity to review changes to the architectural plans for the first floor and other changes (e.g., making the space previously designated for art display a retail gallery, revising conditions for operation such as longer operating hours).

After reviewing these changes, all of the ANC 3C commissioners have expressed to Ms. Jameison or to Mr. Hahn that they endorse the changes.

We appreciate being given the opportunity to re-review this matter. If you have any questions concerning this letter, please contact Commissioner Allen Hahn. Mr. Hahn may be reached at work at (202) 942-1632 between the hours of 9:30 a.m. and 6:00 p.m.

Sincerely,

Nancy J. MacWood
Chair, ANC 3C
