Re: Application #17251

I am not requesting "party status" in this case because our property does not border the property in question at 3715 Albemarle Street, NW, nor can I see the addition from my home.

I am an interested party, however, insofar as I am a resident and taxpayer of the District of Columbia.

As a law-abiding resident of the same block of Albemarle Street, I am appalled by the disregard and defiance by these fellow citizens of the rules and regulations regarding building permits and zoning. While the rest of us follow the rules, they obviously assume the rules don't apply to them!

Yours very truly,

Sherry Levy-Reiner
