STATEMENT OF INTENDED USE

3715 Albemarle, NW
Washington, DC

Existing Use: The existing use of the building is a single family residence.

Intended Use: The intended use of the building is for a single family residence. The proposed addition will be used for the expansion of the exterior and semi-exterior living space on the first floor as an all season porch and on the first floor as an all season room with screens or window panels. The Owner has a medical condition hardship that prevents them from being exposed to direct sunlight, and therefore roof covered all season rooms are desired to allow for exterior use of the property.
