Garland Stillwell
Attorney for Pilgrim AME Church
C/o Pilgrim AME Church
612-17th Street, NE
Washington, DC 20002

Dear Mr. Stillwell:

This letter is to provide you with some information regarding Pilgrim AME Church's current status with the District of Columbia's Department of Human Services. Currently, DHS has a contract with Pilgrim AME Church to provide welfare to work services for TANF recipients. Pilgrim has had a contract with us since December 1998. Pilgrim's current caseload stands at 600 recipients. Like all of our contractors it is imperative that Pilgrim have adequate facilities to serve 600 recipients who need services. This includes space to conduct private assessments, group counseling sessions, classroom training facilities, as well as office space for staff and administrators.

Please contact me if you require additional information.

Sincerely,

Jason Perkins-Cohen
Chief, Office of Performance Monitoring
