RE: ANC Review of Proposed Use of Rear Yard for 612 - 17th Street, N.E.

Dear Reverend Poag-Ray:

Thank you for taking the time to inform the members of ANC6A of your intent to seek relief from the D.C. Board of Zoning Adjustment, to use the rear yard of 612 - 17th Street, N.E. We are happy to hear of your continued work in the community and especially of the success of the church's Job Connection Program. We understand that you are proposing structural alterations to the west end of the church to accommodate the executive operations of this job training program.

ANC6A has no objections to your proposed application to the B.Z.A., and you are free to include this letter with your application to reflect our support of your application.

Please let me know if we can be of any further assistance with regard to this project or any further community involvement on behalf of Pilgrim A.M.E. Church.

Sincerely,

Gladys Ann Mack
