RE: ANC Review of Proposed Use of Rear Yard for 612 - 17th Street, N.E.

Dear Reverend Poag-Ray:

I support Pilgrim A.M.E. Church's efforts to expand its job training program in the community. You have always been a good neighbor and I do not object to your proposed extension of the church building into the rear yard along the side of my house. Please let me know if I can help your efforts in any way.

Sincerely,

Lakisha Adams
