Regarding: Special Exception
for 4641 Clark Place, N.W.
(Sq 1358, Lot 850) BZA
Application 17259

2004 NOV 17 PM 3:32

Dear Ms. Kress:

I am writing to fully support the above mentioned Special Exception Application; my home is located directly next door to the property located at 4641 Clark Place, N.W. Please place my letter in the public record file.

The Special Exception will allow a rear yard fence, that is aesthetically pleasing, to remain in place. The fence is located at the rear of the 4641 Clark Place, N.W. property and the rear of 4646 Greene Place, N.W. This Special Exception will not impact any other property. My home is located on the southeast side of 4641 Clark Place and the Special Exception will not have any negative impact on my property. The fence and lot size will remain essentially as it has been. The newly constructed home at 4641 Clark Place is a most welcome addition to our neighborhood and the builder, Mr. Lewis Bloom, has been extremely cooperative in addressing all of our concerns during the construction phase.

We strongly support this Application 17259. If you have any questions, please contact me. My daytime work number is (301) 341-4710. Thank you for considering our viewpoint.

Sincerely,

Barry F. Scher
