RE: BZA Application No. 17264 (407 E Street, NE)

To Whom It May Concern:

We are writing to inform you that we have received the notice and wish to express our support for the deck that currently stands at 407 E Street, NE. Our front porch stands directly in the line of sight of the alley where the deck currently stands and are quite familiar with the structure, as we see it every day as we leave our home.

We have been in our home long enough to remember the structure that previously stood, and we assure you that the current structure is a vast improvement. The previous deck appeared to be unsafe and was an eyesore in every sense of the word. We can see no reason why the current structure should be torn down.

If you have any questions, do not hesitate to call us at (202) 547-1135.

Warmest Regards,

Pauline Greenlick
