RE: BZA Application No. 17264 (407 E Street, NE)

January 28, 2005

To Whom It May Concern:

I am writing to express my support for the deck that currently stands at 407 E Street, NE. I can see the deck from our backyard and believe it is far superior to the old deck that formerly stood on the property. The prior structure looked both unsafe and unseemly, while the new deck looks well-made and appropriate. I do not believe the new deck should be torn down.

Thank you for considering my input. If you have any questions, please call me at 202-544-6518.

Sincerely,

Hilary Cairns
