There is some confusion regarding this correspondence; however, it appears that it belongs in this file.

Office of Zoning
District of Columbia

Gentlemen:

I have never met Eugene F. Desmond.

I have returned to the appropriate DC facility any and all correspondence and tax bills regarding his property of 307 Seventh St. NE.

I believe the confusion is in the city data base. My property is 301 - Seventh Street, and his is 307 Seventh Street. It appears to me that Mr. Desmond does not have a local DC address. (I checked the Tampa phone book and there is No Desmond in the area.)

BZA Case No. 17268
Exhibit No. 22

Previously I returned a tax bill which the post office re-returned to me even though I had written on the envelopes "Addressee unknown to M. Pavlides. Return to Sender."

I opened the envelope because I cannot fit it

easily in my envelope. Too the Post Office would probably return it to me even if I had requested "Return to Sender."

Please

Please have the appropriate agency determine the Desmond address so I can be free of having to return his mail.
