Friendship "Turtle" Park

4500 Van Ness Street, NW (202) 282-2198

This is one of the best playgrounds in DC, with plenty of slides, swings, tunnels, and climbing structures for kids to play. Fenced area with plenty of shade, benches and picnic tables. Sand box with turtles (hence the name). Basketball and tennis courts, softball/soccer fields and recreation center. "Great playground for the under five crowd--always a good turn-out!" Cynthia T.
