DATE: December 13, 2004

SUBJECT: BZA Order # 17269
Evangelical Arabic Baptist Church
4605 Massachusetts Avenue, NW
Washington, DC 20016

The Department of Health, Health Regulation Administration, Child and Residential Care Facilities Division (DOH/HRA/C&RCFD) recommends the Evangelical Arabic Baptist Church be granted special exception pursuant to §§ 3104 and 205 of the Zoning Regulations, to establish a licensed child development center for twenty-five (25) children, ages two and one-half (2 ½) through five (5) years of age.

The establishment of this new licensed child development center would greatly assist in meeting the City's growing demand for child care services.

Should you have further questions, you may contact Denise Ryles-McKoy, Supervisory Human Services Licensing Specialist for the Child Care Branch, Child and Residential Care Facilities Division on 442-5929.

Sincerely,

Valerie A. Ware
