DGYLLC Replication
Implementation Plan
Rev. 01

I. CENTER OPERATIONS

All of The Darrell Green Youth Life Centers will be operated by a Learning Center Director(LCD); an Administrative Assistant(AA); and Educators(ED). The LCD will have direct responsibility and accountability for all center operations which includes all staff, volunteers, visitors, students and parents who utilize the facility or any of its resources. All practices, policies, and procedures will be strictly adhered to in accordance with the LCD Operations Manual that will be implemented upon the center opening. This is an exclusive use facility whereby The Youth Life Foundation and its staff maintain exclusive access to the facilities for its intended programmatic use.

II. CENTER BUSINESS HOURS

The Youth Life Learning Centers Program Hours Of Operation are from September through June, 11:00 A.M. until 7:00 P.M. Monday through Thursday for students. On Fridays the center will be open only to adults from 11:00 A.M. until 7:00 P.M. Summer program hours will run from 9:30 A.M. until 3:00 P.M. Monday through Thursday for students. Fridays the center will remain open from 11:00 A.M. until 7:00 P.M. for adults only.

III. CENTER ENROLLMENT

The Youth Life Learning Center will accept applicants from the immediate community wherein the center resides giving those applicants first priority in the selection process. All other applicants will be considered on a first come first served basis. Our total center enrollment will be based upon the maximum capacity set by fire safety and building code regulations.

IV. CENTER ACCOUNTABILITIES

The LCD will report directly to the Director of D.C. Metro Centers who in turn reports directly to The Executive Director of The Youth Life Foundation. There will be regular operational and accountability reports generated as well as onsite visits and inspections as set forth in The Learning Center Operations Manual. All need to communicate with entities outside of the Youth Life Foundation will be determined by the nature, severity, frequency, and purpose for such communications as set forth in the Learning Center Operations Manual. This includes all professional, educational, civic, governmental, community, corporate or emergency response personnel contact with the center staff and its guest. There will be a disaster plan implemented and resources maintained onsite to ensure its successful implementation. At no time will any activities be encouraged or permitted in or around the facility that will endanger, the life, property, or integrity of the Youth Life Learning Center staff, guests, partners or its program operation.

VI. CENTER CORE MISSION AND VALUES

In full keeping with the vision and mission of The Darrell Green Youth Life Foundation, it is our purpose and intent to positively and permanently impact a generation for good by providing programs and services that will empower families to overcome the challenges they face in life because of a lack of resources and wherewithal to live peaceful, prosperous, and productive lives. Therefore we set forth to "Nurture The Child, Strengthen The Family, And Rebuild The Community," one person, and one community at a time.

VII. CENTER BENEFITS TO THE COMMUNITY

We fully believe and expect to achieve measurable outcomes within our chosen community because of the holistic approach we bring to servicing the families, as well as the collaborative nature of our interface within the community with like minded community based, and faith based organizations and service providers. Our anticipated outcomes are:

- More improved academic achievement in grades and test scores per student
- Improved reading, writing, math, science, and critical thinking skills
- Improved Family relations and functionality
- Enhanced skill sets and job readiness
- Expanded educational and economic opportunities for all who desire it
- Greater cooperation and collaboration between community based and faith based organizations and service providers to improve the community
- More excellent environmental appeal and attractiveness for residents and visitors with reduced crime and increased property value
- More educated, empowered, and involved electorate and community to participate fully in the "American Dream"
