# DGLC Program Operations

## DGLC SCHEDULE:

**Academic Year:**
The DGLC is staffed during the school year from the second week in September through the second week in June, Monday- Friday from 11:00 a.m. – 7:00 p.m. The center will be open to students **Monday- Friday from 3:00 p.m. – 7:00 p.m.** The center also will be open to adults in the community and parents/guardians of our students on Fridays. Students are allowed in the DGLC on Fridays. Please contact the center for programs offerings for adults as they are based on the needs of the community.

Students will benefit from:

- One hour of homework assistance
- One hour of character development/mentoring Bible Study
- Two hours working on GPA with the GPA Team

Often the child may need additional time to complete their homework at home. We will spend most of the time they are with us working towards their goals as outlined in their GPA. We believe that if we can help to strengthen them in areas of weakness, they'll eventually be able to complete their homework with little to no assistance, which will take them far in college and life.

**Summer Program:**
The DGLC offers a full summer program from June 28th – August 5th Monday –Thursday from 9:00 – 3:00 p.m.

The summer program is very enriching giving our students an opportunity to explore the rich culture of Washington, D.C. metropolitan area. Another component of our summer program includes physical education whereby the students will be offered lessons- based on availability – in a variety of sports such as: swimming, basketball camp, football camp, soccer workshop, tennis, golf workshops, karate, etc.
