RE: Washington View Make A Difference Center

The mission of the Make A Difference Center at Washington View is to provide resident children with a safe, nurturing environment conducive to learning and overall development. The Make A Difference Center (MADC) seeks to foster appreciation for, and pride in, a child's community through activities that involve their immediate community as well as our society at large. The center, in cooperation with each child's family unit, is designed to promote academic and social achievement and a positive sense of self. The MADC serves children between the ages of 7-13 Monday through Friday. Our two main programs are an After School program and a Summer Enrichment Camp. Both programs serve children between the ages of 7-13 Monday through Friday. The hours of the After School program is 3:30 – 6:00 and the hours of the Summer Enrichment Program is 9:00 – 5:00 pm. The programs are staffed by a Program Coordinator, an Assistant Coordinator, Camp Assistants and volunteers from the community.
