Dear Mr. Berhanu:

I am in full support of your opening the Lowest Price Gas station on South Capitol Street. First of all, your business is a minority owned business. Secondly, it will provide jobs and provide a product/s for area residents at not only competitive prices, but also lower prices resulting in stimulating economic growth where it is so desperately needed.

Please know that I am looking forward to the completion of the project as well as the official opening. I congratulate you and thank you for your business endeavors in Ward 8.

Sincerely,

Marion Barry
Councilmember, Ward 8
