Re: *BZA Appeal No. 17285*

Dear Ms. Kress:

Enclosed for inclusion in the record, as evidence in the above-captioned appeal, are the following items:

1. An e-mail and attached survey record that I received today from Joe Kish of the National Park Service.
2. A copy of the request that I made to DCRA on January 28, 2005 for an inspection of the Walled Platform Structure. This item was referenced on page 57, footnote 12 of the brief I have filed in this Appeal.

Also enclosed are 20 copies of these items. Please let me know if you have any questions.

Sincerely,

Patrick J. Carome

Nature of Complaint: No wall check appears in surveyors records for large "retaining wall" structure that is being erected along side and rear perimeter of subject property. Also, wall appears unstable and is bulging and cracking. Also, I believe wall encroaches across lot lines and into Parkland. Please perform inspection and provide me with a full written report ASAP.
