Dear Mr. Griffis:

In its March 14, 2005, correspondence, the National Park Service (NPS) submitted its comments pertaining to Board of Zoning Adjustment Appeal No. 17285. As part of that submission NPS stated that "NPS concurs in and adopts the positions of Appellant, Mr. Carome, in this matter." NPS would like to clarify that it concurs in and adopts the legal analysis Mr. Carome provided to the BZA to the extent such analysis supports the positions taken by NPS in its comment letter. The NPS has no opinion regarding other arguments or allegations made by Mr. Carome.

Thank you for your cooperation in this matter.

Sincerely,

Regional Director, National Capital Region
