J.R. Kress

Director of Zoning Regulations

Application No. 17292

Although we live a certain distance from 1812 35th street I pass what was once a charming house probably an 17 century stable It was one of the last vestiges of Fayette street, it has been turned Into an eyesore. What really concerns me is that all of this was done Without the plans going up to the ANC, How and when did they get permits ? Could this happen again?

I oppose the varience.
