Re: Application of St. Patrick's Protestant Episcopal Church (BZA Case No. 17300)

Dear Chairman Griffis and Members of the Board:

St. Patrick's would like to clarify that it is seeking an enrollment increase of twenty students to be phased in over a three-year period – not an immediate enrollment increase. St. Patrick's requests that the enrollment increase be implemented in two phases, with an initial enrollment increase of ten students permitted for the Fall of 2006 and an additional increase of ten students permitted for the Fall of 2007. This would result in a total increase of twenty students. In no event does St. Patrick's request that the Board approve an immediate enrollment increase of twenty students.

Sincerely,

Allison C. Prince
