RECEIVED

Geoffrey Griffis, Chairman
Board of Zoning Adjustment
441 – 4th Street, NW, Suite 220
Washington, DC 20001

Dear Chairman Griffis:

We are aware that you are in receipt of our formal request to BZA to postpone the April 19, 2005 hearing on the request by WMATA for an exception to the zoning regulations regarding excess traffic and some construction abnormalities on the proposed structure at 4500 Benning Road. For our records, we require some formal response as a normal business practice. To date we have received none from your office.

Our constituents are most concerned about this project. Given the ongoing pattern we have experienced where those of us who are most affected by this project have not been properly notified, we prefer to continue our practice of expecting formal business practices to be observed. We therefore anticipate receiving your response, including the findings of the Board and the reasons for their decision.

We look forward to your timely response.

Sincerely,

Dorothy Y. Douglas Chair
