I am the ANC Commissioner for Single Member District 7D06. Although I formerly signed a letter in support of the CSOSA project to erect the 5-story building over the Benning Road Metro station at an April 12th ANC meeting, I have since learned from residents in that community (7D05) that they were not informed as I had been led to believe. They not only were not in support of the project, but they urged me to support them and their neighbors in opposing this project.

Therefore, given the new information and holding high my oath to represent the community, be it known that:

- I hereby rescind my vote in support of the CSOSA project;
- I further support ANC 7D providing financial support for legal representation, and
- I reaffirm my support for our Chair, Dorothy Douglas, especially her advocacy for our residents opposing the CSOSA.

Sincerely,

Michael D. Creasey, Commissioner, 7D06
