Application No. 17306 of Hannah Reisman, pursuant to 11 DCMR §§ 1202 and 3104.1, for a special exception under section 223, to allow an addition to an existing single-family dwelling, not meeting the rear yard requirements (section 404), in the CAP/R-4 District at premises 227 C Street, S.E. (Square 763, Lot 24).

HEARING DATE: April 19, 2005
DECISION DATE: April 19, 2005 (Bench Decision)

SUMMARY ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2.

The Board provided proper and timely notice of the public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 6B and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 6B, which is automatically a party to this application. ANC 6B submitted a report in support of the application. The Office of Planning (OP) submitted a report in conditional support of the application. The Architect of the Capitol submitted a letter stating in part that the application would create no adverse effect on the Capitol Complex.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for special exception under section 223. No parties appeared at the public hearing in opposition to this application. Accordingly a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1 and 223, that the requested relief can be granted being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.
