RE: Zoning Application Case No. 17308
4421 Faraday Place, NW

Dear Ms. Kress,

Mark E. Stacey of 4421 Faraday Place, NW has made application for a special exception to construct a rear deck addition to his single-family home. The design of the deck is an aesthetically pleasing addition to the property and will enhance the value of his property. Mr. Stacey provided us with evidence of having received his neighbor's support for this project.

At our properly noticed public meeting today, April 14th, 2005, the ANC, by a vote of 4-0, [a quorum of 3 being present] agreed to **approve [not oppose]** the application for Mr. Stacey and request that the special exception be granted in this case.

Commissioners Amy McVey, Amy Hoang Wrona, Anne Sullivan and Lucy Eldridge were in attendance and voted. The ANC authorizes any of the four commissioners to present a report to the zoning commission at the hearing.

Sincerely,

Amy B. McVey, Chair
ANC 3E
