RE: BZA Application #17309, Rochester
Associates

Dear Mr. Guffis:

I want to record my
opposition to Morton Bender's
request for a special exception
for the Chain Bridge Road property.
His proposal would degrade
the Battery Kemble Park area as
well as threaten expensive
water run off affecting the neighbors

and ~~therefore~~ degrade the
residential environment.

Thank you for your
attention.

Sincerely -
Amy E. Taylor
