Dear Mr. Griffiths,

Please, Please, don't let Mr. Bender
build 13 houses on Chain Bridge Road!
The ecology will be wrecked, The
Traffic on Chain Bridge much worse -

As close ~~neighbors~~ neighbors, we use
Battery Kemble Park, it's trails through
the woods and along Chain Bridge. The
Road itself is a charming reminder of an
old DC winding lane, with diverse
architecture, hedge trees, we love it.

The Traffic is already too much -
spare us such a disruptive change!

Sincerely

Janet K. Roberts
