Experience

Mr. Andrulis has been in private practice as a sole proprietor since 1998. Current commissions include residential, historic preservation and adaptive reuse, land planning as well as institutional and commercial projects both domestically and internationally.

Prior to establishing his own firm Mr. Andrulis a Senior Design Architect at several of Washington, DC's prominent large scale architectural practices. Those firm's included:

Kling Lindquist Inc. 1995-1998: Mr. Andrulis was the Senior Project Designer and an Associate, responsible for the design product and direction of the Washington, DC office. Responsibilities centered on leading teams on the design of various building types including Corporate, Professional Association, Investment Office, Laboratory, Pharmaceutical Manufacturing and Academic.

Smith Hinchman and Grylls, Inc. 1994-1995: Responsibilities involved the design of academic science research facilities as well as the one million square foot headquarters of the Naval Sea Command

Stan Andrulis, Architect 1992-1993: Responsible for the design and renovation /construction of an 1890's Capitol Hill townhouse from a five unit apartment building back to its original form as a single family dwelling.

Skidmore Owings and Merrill 1985-1992: As an Associate in the Washington, DC office, was involved in a wide variety of mid and large scale architectural and urban design projects from conceptual phase through construction. Responsible for working closely with Partners to interpret and then develop their design philosophies into coherent architecture.

Relocated to England in 1988 to reinforce the firm's design effort in their newly opened London office, and was promoted to Associate Director. Responsibilities included working alongside clients as well as SOM Partners to synthesize and incorporate their ideas into projects. Lead design teams which ranged in size from 2 to 20 architects in the solving of a number of complex projects and competitions throughout the United Kingdom and Europe.

Rosetti Associates, Architects Planners/William Kessler & Associates 1982-1985: Prior to his relocation to Washington, DC Mr. Andrulis served his architectural internship at two of the better Detroit, Michigan practices.
