Please answer all of the following questions referencing why the above person should be granted party status.
(If you require additional space, please attach an additional sheet.)

1). How will the property owned or occupied by such person, or in which the person has an interest be affected by the action requested of the Board?

If Chain Bridge Rd. is partially blocked by parked cars, or has too much traffic, my property value will drop. I've lived in my present home for 54 yrs.

2). What legal interest does the person have in the property? (i.e. owner, tenant, trustee, or mortgagee)

NONE

3). What is the distance between the person's property and the property that is the subject of the appeal or application before the Board? (Preferably no farther than 200ft.)

I own the 2nd property to the north on Chain Bridge Rd.
(JUST UP THE HILL)

4). What are the environmental, economic or social impacts that are likely to affect the person and/or the person's property if the action requested of the Board is approved or denied?

The 2800 block of our street is on a blind curve, which can't be used for street parking, because the road is very narrow and must be kept open for emergency vehicles. There is no sidewalk.

5). Describe any other relevant matters that demonstrate how the person will likely be affected or aggrieved if the action requested of the Board is approved or denied.

It is unsafe for juvenile or elderly/handicapped pedestrians. Dorchester must provide more off-street parking for visitors + home repair mechanics.

6). Explain how the person's interest will be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than that of other person's in the general public.

I prefer this housing project to be limited to 5 or 6 better quality + larger houses. - - I also want to limit the population on our street because the roadway is so narrow, has almost no sidewalks; it's full of blind curves, very steep. Many children live on it.
