Ref. APPEAL NO 17310

Dear Ms. Kress,

Since the invasion of my property 1814 35th Street N.W. by bull-dozer By 1812 35th st. Associates December 2004, I have used every method in Our Democratic Society for some redress. Evan though, my lawyer Ms. Horvitz has won all cases brought to the B.Z.A> and more recently Appeal no 17310 where the owners of 18 12 were told that there permits were void.

Although 1812 LL Associates have been told their house is over the Building limit, nothing has been done to change it .

What is the point of going to the B>Z.A. if there is no law enforcement I believe the owners are presently showing the house in order to sell, leaving The new owners with the legal entanglements

Sincerely yours,

Deirdre Stancioff Deirdre Stancioff
