STATEMENT OF INTENDED USE

1002 N Street, N.W. Washington, D.C. 20001

Existing use – The existing use of the building is a single family residence.

Intended use – The intended use of the building is for a single family residence. The proposed addition will be used for the expansion of interior living space to accommodate a growing family. The proposed addition will allow the property owner, who has owned in and participated in the neighborhood for more than 10 years, to remain in the same residence upon his marriage.
