Dear Mr. Nero:

I am William McKeever, subject of application 17319 from spring 2005. My architect, William Middleton, has been in touch with you.

I recently sent Mr. Griffis a request for a modification to my approved modification. Mr. Middleton says you received it, but require a payment of \$100.

A check for that amount is enclosed.

Mr. Middleton had told me you have been very helpful to him in navigating the complexities of the zoning process, and I thank you, sincerely, for the effort.

I would greatly appreciate any attempt you could make to get my request for modification approved administratively, or in the absence of an administrative resolution of the issue, a prompt scheduling of my case on the BZA's calendar.

Thank you, again, for your support in the past, and I thank you in advance for your assistance in this current matter.

Sincerely,

William J. McKeever
