Rick & Cliff: We have had a medical emergency at home and have just spent the last 5 hours in Sibley's Emergency Room. My wife apparently has either viral or bacterial pneumonia. She is on a course of antibiotics and bed-rest and has to be monitored for the next 24 hours for recurrence of fever and chest pain symptoms. Under the circumstances I will have to stay at home tomorrow and must request a postponement of the continued hearing in this matter. I apologize for the inconvenience, but I have no alternatives. Please try to slot us into the earliest possible date for resumption.

Please reply to all recipients of this message as early as you can tomorrow, so that my witnesses and Kinley Bray, Esq. will learn early in the day to adjust their schedules.

I will call tomorrow morning to confirm your receipt of this message.
 My home number is 202 244-4437.
