We the following are declaring our support of the expansion of Little Samaritan Child Development Center Inc. located at 5100 E St. SE Washington DC 20019. This center has been an asset to this community. The increase of 15 to 50 children will be a great benefit to this community. This center is the only center in the surrounding area that accepts children less than 2 years of age. The expansion will give slots to so many needed infants and toddler parents. So I hereby pledge my support.
